

Capstone Academy

Empowering the Future Scholarship

The Capstone Academy Empowering the Future Scholarship is awarded to youth between the ages of 9 and 17 who are passionate about STEM (Science, Technology, Engineering and Mathematics) and who are inspired by learning through hands-on activities. Scholarships are awarded for youth attending Capstone Academy classes, including full-time, part-time, distant-learning courses, and STEM education classes.

Applicants for the Capstone Academy Empowering the Future scholarship must:

- Be between the ages of 9 – 17 years at time of application and for the duration of the designated program;
- Be a resident of Alberta;
- For part-time, be attending an accredited learning institution or be an active member of an accredited home school program;
- Provide a creative submission, in writing (up to 200 words) or by video (up to 3 minutes) describing why they should receive the scholarship.

The application process is on-going; however it is recommended that applicants who wish to begin attending the Capstone Academy programs in September submit their applications **prior to June 30th**.
